

Assignments

| Expected Date | Actual Date | Day of the Week | Course | Module | Hour |
|---------------|-------------|-----------------|------------------------------|------------------------|--|
| 2024-07-08 | | Monday | Engineering Mathematics - IV | Calculus of Variations | Introduction to Euler-Lagrange Equation |
| 2024-07-09 | | Tuesday | Engineering Mathematics - IV | Calculus of Variations | Euler-Lagrange Equation in Special Cases |
| 2024-07-11 | | Thursday | Engineering Mathematics - IV | Calculus of Variations | Euler-Lagrange Equation in Special Cases |
| 2024-07-15 | | Monday | Engineering Mathematics - IV | Calculus of Variations | Euler-Lagrange Equation When F Contains, x, y, y^2 |
| 2024-07-16 | | Tuesday | Engineering Mathematics - IV | Calculus of Variations | Euler-Lagrange Equation When F Contains, x, y, y^2 |
| 2024-07-18 | | Thursday | Engineering Mathematics - IV | Calculus of Variations | Euler-Lagrange Equation When F Contains, x, y, y^2 |
| 2024-07-22 | | Monday | Engineering Mathematics - IV | Calculus of Variations | Isoperimetric Problems and Lagrange's Method |
| 2024-07-23 | | Tuesday | Engineering Mathematics - IV | Calculus of Variations | Isoperimetric Problems and Lagrange's Method |
| 2024-07-25 | | Thursday | Engineering Mathematics - IV | Calculus of Variations | Isoperimetric Problems and Lagrange's Method |
| 2024-07-29 | | Monday | Engineering Mathematics - IV | Calculus of Variations | Isoperimetric Problems and Lagrange's Method |
| 2024-07-30 | | Tuesday | Engineering Mathematics - IV | Calculus of Variations | Functions Involving Higher Order Derivatives |
| 2024-08-01 | | Thursday | Engineering Mathematics - IV | Calculus of Variations | Functions Involving Higher Order Derivatives |
| 2024-08-05 | | Monday | Engineering Mathematics - IV | Calculus of Variations | Functions Involving Higher Order Derivatives |
| 2024-08-06 | | Tuesday | Engineering Mathematics - IV | Calculus of Variations | Functions Involving Higher Order Derivatives |
| 2024-08-08 | | Thursday | Engineering Mathematics - IV | Calculus of Variations | Functions Involving Higher Order Derivatives |
| 2024-08-12 | | Monday | Engineering Mathematics - IV | Calculus of Variations | Final Review and Problem Solving Session |
| 2024-08-13 | | Tuesday | Engineering Mathematics - IV | Calculus of Variations | Final Review and Problem Solving Session |
| 2024-08-15 | | Thursday | Engineering Mathematics - IV | Calculus of Variations | Final Review and Problem Solving Session |
| 2024-08-19 | | Monday | Engineering Mathematics - IV | Calculus of Variations | Final Review and Problem Solving Session |
| 2024-08-20 | | Tuesday | Engineering Mathematics - IV | Calculus of Variations | Final Review and Problem Solving Session |
| 2024-08-22 | | Thursday | Engineering Mathematics - IV | Calculus of Variations | Final Review and Problem Solving Session |

| Expected Date | Actual Date | Day of the Week | Course | Module | Hour |
|---------------|-------------|-----------------|------------------------------|---------------------|---|
| 2024-08-26 | | Monday | Engineering Mathematics - IV | Complex Integration | Introduction to Complex Analysis and Line Integrals |
| 2024-08-27 | | Tuesday | Engineering Mathematics - IV | Complex Integration | Cauchy's Integral Theorem and Formula |
| 2024-08-29 | | Thursday | Engineering Mathematics - IV | Complex Integration | Cauchy's Integral Theorem and Formula |
| 2024-09-02 | | Monday | Engineering Mathematics - IV | Complex Integration | Taylor Series |
| 2024-09-03 | | Tuesday | Engineering Mathematics - IV | Complex Integration | Taylor Series |
| 2024-09-05 | | Thursday | Engineering Mathematics - IV | Complex Integration | Taylor Series |
| 2024-09-09 | | Monday | Engineering Mathematics - IV | Complex Integration | Laurent Series |
| 2024-09-10 | | Tuesday | Engineering Mathematics - IV | Complex Integration | Laurent Series |
| 2024-09-12 | | Thursday | Engineering Mathematics - IV | Complex Integration | Laurent Series |
| 2024-09-16 | | Monday | Engineering Mathematics - IV | Complex Integration | Laurent Series |
| 2024-09-17 | | Tuesday | Engineering Mathematics - IV | Complex Integration | Singularities, Zeroes, and Poles |
| 2024-09-19 | | Thursday | Engineering Mathematics - IV | Complex Integration | Singularities, Zeroes, and Poles |
| 2024-09-23 | | Monday | Engineering Mathematics - IV | Complex Integration | Singularities, Zeroes, and Poles |
| 2024-09-24 | | Tuesday | Engineering Mathematics - IV | Complex Integration | Singularities, Zeroes, and Poles |
| 2024-09-26 | | Thursday | Engineering Mathematics - IV | Complex Integration | Singularities, Zeroes, and Poles |
| 2024-09-30 | | Monday | Engineering Mathematics - IV | Complex Integration | Residues and Residue Theorem |
| 2024-10-01 | | Tuesday | Engineering Mathematics - IV | Complex Integration | Residues and Residue Theorem |
| 2024-10-03 | | Thursday | Engineering Mathematics - IV | Complex Integration | Residues and Residue Theorem |
| 2024-10-07 | | Monday | Engineering Mathematics - IV | Complex Integration | Residues and Residue Theorem |
| 2024-10-08 | | Tuesday | Engineering Mathematics - IV | Complex Integration | Residues and Residue Theorem |
| 2024-10-10 | | Thursday | Engineering Mathematics - IV | Complex Integration | Residues and Residue Theorem |
| 2024-10-14 | | Monday | Engineering Mathematics - IV | Complex Integration | Advanced Applications and Problem Solving |

| Expected Date | Actual Date | Day of the Week | Course | Module | Hour |
|---------------|-------------|-----------------|------------------------------|---------------------|---|
| 2024-10-15 | | Tuesday | Engineering Mathematics - IV | Complex Integration | Advanced Applications and Problem Solving |
